

THE OXFORD SENIOR SECONDARY SCHOOL

Daffodils

On behalf of the Principal, members of the staff and students we extend our heartfelt gratitude to Dr. S N V L Narasimha Raju , Chairman, The Oxford Group of Institutions and the President of Children's Education Society for giving us the opportunity to present the Newsletter for the session 2023-24 .

*Volume I
June 2023*

ABOUT OUR NEWSLETTER

We would be bringing to you a comprehensive summary of the events, activities, and achievements that have taken place on our campus. From academic milestones and sports tournaments to cultural celebrations and community outreach initiatives. Through the school newsletter we ensure that you stay informed and connected with our vibrant school community which showcases all the events conducted during each month of this academic year.

A PROUD MOMENT

We are extremely proud and happy to share the ecstatic news that The Chairman of The Oxford Educational Institutions- Shri S N V L Narasimha Raju has been awarded the D. Litt (Honorary Doctorate) degree by the KSOU (Karnataka State Open University) on July 2nd 2023 during their 18th Convocation ceremony at Mysuru.

Lively Lingerings

YOGA DAY

'Yoga is essentially a practice of your soul, working through the medium of your body.'

With the same spirits our dear pre-primary students celebrated International Yoga Day on June 21, 2023 by practicing yogasanas to enrich the mind and the soul.

NATIONAL READING DAY

Students enjoy picture books. Reading makes them familiar with sounds, words, language and eventually, the value and joy of books.

On 19th June, 2023 children spent a joyful session with books and enjoyed the stories read out by their teachers.

PARENT ORIENTATION

The school welcomed the newly joined students' parents to the school fraternity and introduced to them the scholastic and Co-scholastic curriculum along with various other aspects of teaching-learning.

On this day...

DOCTOR'S DAY

National Doctors' Day is celebrated every year on July 1st to commemorate the contributions of doctors in saving our lives.

On 30th June, 2023 we had the honor of having Dr Sameeksha Rahul who spoke about dental care and dental hygiene to our tiny tots.

STORYTELLING

Story telling is an important learning methodology used for students. It is specially helpful and engaging for pre-primary and primary children. It promotes imagination and develops language and emotions. The tiny toddlers enjoyed listening to the story of -'The Thirsty Crow'.

WORLD ENVIRONMENT DAY

As part of the activities related to World Environment Day, our Pre-primary students engaged in a fun filled - Palm Printing activity. This helped in creating awareness towards our nature and being eco-friendly.

Thank You
