TINY HANDS, BIG WONDERS

HAPPY START ZONE

To foster a joyful and nurturing start to the day, nursery teachers introduced a delightful greeting routine just outside the classroom. Four vibrant posters were placed near the entrance, each marked with a playful action: Hi-Fi, Twist, Dance, and Hug. As the tiny tots arrived, they eagerly tapped the poster of their choice, their faces lighting up with excitement. In response, teachers enthusiastically performed the selected gesture—whether it was a cheerful high-five, a playful twist, a happy dance, or a gentle hug. This warm and interactive ritual not only made each child feel special and welcomed but also infused the morning with laughter, movement, and connection, setting a positive tone for the day ahead.

GURU POORNIMA

CHOCOLATE DAY CELEBRATION

As part of our joyful Chocolate Day celebrations on 8th July, 2025, our pre-primary children enjoyed a special creative session — Candy Crafts using Chart Paper! The classroom was buzzing with excitement as little hands turned colorful charts into delicious-looking candies, lollipops, and chocolate bars. The celebration wasn't just about enjoying sweet treats — it was a great opportunity to teach children about sharing, working together, and expressing themselves through fun, hands-on learning.

Guru Purnima, a day dedicated to expressing gratitude to our teachers and guides, was celebrated on 10th July 2025 with love and joy by our pre-primary children. Though young, our little stars embraced the spirit of the day with enthusiasm, learning the importance of showing respect and thankfulness. The celebration began with a simple, meaningful introduction to the concept of a "Guru" — explained through stories, and pictures.

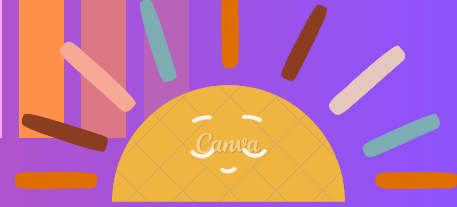

TEDDY'S PICNIC DAY

Teddy's Day at our pre-primary section was nothing short of magical! The day began with bright smiles and excitement as our little learners walked in, proudly carrying their favorite teddy bears. The classrooms were beautifully decorated with soft fur-themed corners that set the tone for a cuddly celebration. Teddy's Day was a delightful way to nurture empathy, imagination, and joy in our little ones. The comfort and happiness on their faces made it a truly memorable experience!

CREATIVE LEARNING INDOOR ACTIVITIES

SLANT LINE SAND TRAY ACTIVITY

Our Pre-Primary students embarked on a series of imaginative and thought-provoking activities that sparked creativity, fostered teamwork, and encouraged self-expression. A remarkable learning session with the "Slant Line Sand Tray Activity", where they used slant lines to create unique self-portraits in sand. The sand acted as a canvas for them to explore different shapes, angles, and patterns while reflecting on their own identity. Afterward, each child shared the stories behind their creations, allowing them to reflect on their individuality in a truly personal way.

PAPER BAG DAY

Tiny tots celebrated Paper Bag Day by turning everyday materials into art. Using simple paper bags, students designed, decorated, and created functional items like tote bags. This sustainable activity not only sparked creativity but also encouraged our students to think about reusing materials in new and exciting ways.

FORK PRINT SUN ACTIVITY

We turned our attention to the natural world with the Fork Print Sun Activity. Using forks dipped in bright paint, students made textured sun designs on paper. This fun and simple technique helped them connect with the concept of light, warmth, and growth while creating vibrant works of art. It was a sunny, hands-on experience that brightened our classroom!

"WE ARE ALL BEST FRIENDS" HANDPRINT MURAL

In a powerful expression of unity, the students worked together to create a beautiful "We Are All Best Friends" Handprint Mural. Each child added their handprint to the mural, symbolizing their unique place in our community while celebrating the power of friendship. The mural now serves as a lasting reminder of the strength and diversity found within our group and the bonds that connect us all.

SPRIT AND CREATIVITY OF YOUNG LEARNERS

BRIGHT SMILES AND YELLOW VIBES!

Our pre-primary classrooms were filled with sunshine and smiles as we celebrated Yellow Day with great enthusiasm. Dressed in bright yellow outfits, the little ones brought a cheerful glow to the day. The celebration aimed to introduce children to the color yellow and its significance in a fun, interactive way. Our pre-primary children participated in a joyful Tiger Mask Making activity as part of the Yellow Day celebrations. The little ones expressed their creativity with great enthusiasm, making vibrant tiger masks that added a playful charm to the event.
