

JUNE EDITION

ABOUT THIS NEWSLETTER

Dear Parents,

We are excited to present this year's edition of our school newsletter—a window into the vibrant life of our school community. Each month, we aim to share important updates, celebrate achievements, and highlight the activities and events that shape our learning journey.

Our newsletter is more than just a bulletin; it's a celebration of our students' hard work, creativity, and growth. From classroom projects and extracurricular successes to upcoming events and important reminders, we hope to keep everyone informed and inspired.

-Regards , Editorial team

On behalf of The Principal,
staff and the students we
extend our heartfelt
gratitude to

Dr. S N V L Narasimha Raju,
Chairman, The Oxford Group of
Institutions and The President
of Children's Education Society
for giving us the opportunity to
present the Newsletter for the
session 2025-26.

- Indoor Activities
- Yoga Day
- Investiture Ceremony
- Outdoor Activities

MOMENTS OF HUSTLE AND BUSTLE

CBSE RESULTS

The destiny of hard work is always success. Success is a result of good ideas pursued by intelligence, energy and determination. With immense pride and happiness we would like to share that the students of The Oxford Senior Secondary School, have once again proven their mettle at the board examinations, coming off with flying colours.

We have secured excellent results for the 30th consecutive year in SSCE(Class XII) and for the 33rd consecutive year in SSE(Class X)- CBSE board examinations. With centums in a number of subjects, our students have shown that hard work and determination goes a long way in achieving their dreams. The Management, Principal and staff wishes all our students all the very best for their future endeavours and acknowledge their wonderful achievements!

READING DAY

June 19th, 2025 is celebrated as National Reading day every year, in honour of P.N. Panicker, considered the "Father of the Library Movement in India," and his contributions to promoting literacy.

At The Oxford Senior Secondary School, our students creatively formed the shape of an open book and a person reading, symbolising the joy of reading and the power of books to promote the habit of reading which helps the children to enlighten their world with knowledge, curiosity and shape their future.

FRESH START FESTIVAL

The first day of nursery was filled with excitement, curiosity, and tiny smiles! Our little learners explored their new classroom, made new friends, and enjoyed fun activities like singing, coloring, and story time. Though a few were shy at first, they soon felt safe and happy in their new environment. It was a beautiful beginning to their learning journey!

To celebrate Father's Day, our nursery school organized a creative bow-making activity for the children. Using colorful ribbons, paper, and simple craft materials, the little ones made beautiful handmade bows as a token of love and appreciation for their fathers. It was a delightful and meaningful celebration, helping young learners express gratitude while enjoying hands-on learning.

FATHER'S DAY CELEBRATION

CREATIVE LEARNING INDOOR ACTIVITIES

At our nursery school, we conducted a series of engaging activities to support early childhood development in a fun and creative way. Children enjoyed a Hindi Bud Painting Activity - where they used ear buds and paint to trace and fill Hindi letters and a clay dough activity- to make English alphabets. This helped them to recognize alphabets while developing fine motor skills and hand-eye coordination.

In the Coordination Activity, various playful exercises were introduced to improve balance, focus, and body coordination. These activities encouraged movement and built physical confidence in a joyful environment.

The Paper Crumbling Activity was a hands-on exercise where children crumpled small pieces of paper and pasted them on outlined letters to form different alphabets. This boosted their finger strength and enhanced letter recognition. All these activities were designed to make early learning enjoyable while promoting sensory development, creativity, and foundational literacy skills.

YOGA DAY

"Yoga is the journey of the self, through the self, to the self." - Bhagavad Gita

Yoga unites us with nature and within, blending poses, breath, and meditation for holistic well-being. This International Yoga Day on 21st June, 2025, our students across all grades embraced calm and confidence. Let's carry this spirit every day—celebrating Yoga's gift of balance, health, and inner peace.

INVESTITURE CEREMONY

Leadership was the spotlight as The Oxfordites convened for the Investiture Ceremony of 2025-26 on 27th June 2025. Student prefects stepped forward, proud and poised, ready to uphold their new responsibilities. They, along with teachers-in-charge, were officially invested by Academic Lead Ms. S. N. Leela Lakshmi Raju and Principal Mrs. Mala Banerjee.

The event featured a vibrant band welcome, a soulful invocation, a speech highlighting the value of extracurriculars, and a beautiful student dance. Our Principal then delivered an inspiring address on the essence of leadership. It was a truly momentous day—an ushering in of fresh leaders committed to guiding our school community with dedication and integrity.

OUTDOOR ACTIVITIES

Outdoor play is an essential part of early childhood development, and our nursery students actively participated in a fun-filled outdoor playing activity designed to promote physical growth, social interaction, and teamwork. Children engaged in age-appropriate games such as running, jumping, ball play, and group exercises, all under the guidance of teachers. These activities not only enhanced their motor skills and coordination but also encouraged sharing, cooperation, and a sense of joy in open, natural surroundings.

THANK YOU
