Representing Nations, Inspiring Change - MUN

Students of The Oxford Senior Secondary School participated in the Model United Nations (MUN) hosted by DPS, South from 1st to 3rd July 2026. During MUN conference, students represent different countries, research global issues, debate policies, negotiate with other delegates and propose solutions to international challenges. Our students gained a wonderful learning experience and proudly represented the school with confidence and enthusiasm.

Green Steps, Bright Future Walkathon 2026

On 4th July 2026, our School organized a Walkathon on the theme "Green Steps, Bright Future" to promote environmental awareness and sustainable living. Students enthusiastically participated in the walk, carrying placards with inspiring messages on protecting the environment. They also presented engaging street plays to spread awareness about reducing pollution and adopting eco-friendly practices. The event encouraged the community to take small but meaningful steps towards building a greener and brighter future.

BUSTLE MOMENTS

VIRTUAL REALITY SHOW

A special Virtual Reality Show on Chandrayaan was conducted at Oxford Senior Secondary School on 13th and 14th July 2026 for students of Classes V to XII. The immersive experience enabled students to virtually explore India's lunar mission, understand the achievements of Chandrayaan and gain insights into space exploration. The show sparked curiosity and enhanced students' interest in science and technology.

A MOMENT OF PRIDE

Our school was honoured with the Best School Award in recognition of its excellence in academics, co-curricular activities and overall development. The achievement reflects the dedication and hard work of the management, staff, students and parents. The award is a proud milestone that inspires everyone to continue striving for excellence. It reinforces the school's commitment to providing quality education and holistic development. The entire school community celebrated this remarkable achievement with great pride and joy.

CCA ACTIVITIES

ECO MODELLING

On 15th July, Primary students participated in a CCA Eco Modelling event. They created beautiful models using recycled and eco-friendly materials. The activity encouraged creativity while promoting environmental awareness. Students showcased innovative ideas for a greener future. The event inspired everyone to care for and protect the environment.

TREND THROUGH TRASH

On 15th July, Middle School students participated in the CCA Ramp Walk on the theme "Trend Through Trash." They showcased creative outfits made from recycled and waste materials. The event promoted sustainable fashion and environmental awareness. Students displayed confidence, creativity, and innovation on the ramp. The activity inspired everyone to reduce, reuse, and recycle.

BUSTLE MOMENTS

MYSTERY BOX CHALLENGE: WHAT'S INSIDE?

On 17th July, Our High School students participated in an exciting CCA Mystery Box Challenge. Using the surprise materials provided, they created innovative and practical solutions through teamwork and creative thinking. The activity encouraged problem-solving, imagination and collaboration. Students enthusiastically showcased their unique ideas and resourcefulness. The event made learning fun while enhancing critical thinking and teamwork skills.

AMC AND KHO-KHO CHAMPIONSHIP

Our School successfully conducted the AMC Inter-House Sports Competition on 16th July 2026, bringing together students in a celebration of sportsmanship, teamwork, and healthy competition. The event featured thrilling matches in Football and Kho-Kho. Rangers House emerged victorious in Football, while Spartans House clinched the Kho-Kho championship. The enthusiastic participation and competitive spirit displayed by all the houses made the event a grand success. Congratulations to the winners and all participants for their remarkable efforts and sportsmanship.

CELEBRATING THE BIRTHDAY OF OUR VISIONARY CHAIRMAN

Our school joyfully celebrated the birthday of our esteemed Chairman, Dr. S N V L Narasimha Raju Garu, on 18th July, with immense pride, gratitude and heartfelt admiration. A special assembly was conducted, where students and staff came together to extend their warm wishes and pay tribute to his inspiring vision, exemplary leadership and steadfast commitment for providing quality education. His remarkable dedication to nurturing young minds and fostering excellence continues to inspire generations of students to learn, lead and serve with integrity. The celebration concluded with heartfelt prayers and best wishes for Dr. S N V L Narasimha Raju Garu's good health, happiness, and many more years of visionary leadership.

BUSTLE MOMENTS

SEVA PROJECT – VISIT TO OLD AGE HOME

As a part of the Seva Project, the students of Grade 10 from our school visited an old age home to spread kindness, care, and happiness among the elderly on 21st July. The students interacted with the residents, shared their time, and engaged in meaningful conversations and activities. The visit provided students with an opportunity to understand the value of compassion, respect, and empathy towards senior citizens. The experience was truly enriching, as students learned the importance of giving back to society and serving the community with love and responsibility. The visit left a lasting impression on both the students and the elderly, making it a memorable and meaningful initiative.

CYBER CRIME AND DRUG AWARENESS PROGRAMME

Our school conducted a Cyber Crime and Drug Awareness Programme for high school students on 21st July 2026. The session aimed to educate students about online safety, cyber threats, and the harmful effects of drug abuse. Students were guided on responsible technology usage, preventive measures against cyber crimes, and the importance of making healthy and informed choices. The programme was highly informative and helped students become more aware and responsible citizens.

EXPLORING 5G TECHNOLOGY & EMBRACING CYBER SAFETY

5G Labs & Cyber Safety Awareness Session

The Oxford Senior Secondary School hosted an informative session by the Department of Telecommunications (DoT) on 31 July 2026. Mr. Karan Goyal, Director, DoT Karnataka LSA, along with the Joint Telecom Officer, explained the purpose and opportunities of 5G Labs and their role in education and innovation. They also introduced the Sanchar Saathi App, highlighting its features to protect users from telecom fraud and cybercrime. The session created awareness about digital safety and encouraged students and teachers to use technology responsibly.

BUSTLE MOMENTS

INTERSCHOOL COMPETITION

Sixty students from OUR School participated in a variety of competitions ON 22nd July 2026 conducted by Shree Krishna International School. They showcased their creativity, confidence, teamwork, and exceptional talent across different events. Their outstanding performances earned several prizes and brought great pride and laurels to the school. We congratulate all the winners and participants for their dedication and enthusiastic SPIRIT AND wish them continued success in all their future endeavours.

IIT MADRAS CERTIFICATION COURSE

Our School proudly partnered with the IIT Madras School Connect Program in March 2026, providing students of Classes X-XII access to affordable, high-quality online certificate courses designed by IIT Madras faculty. The programme introduces students to emerging fields such as Data Science, Artificial Intelligence, Law, Ecology, Finance, and Aerospace, while creating pathways to IIT Madras BS Degree programmes after Class XII.

We congratulate all students who successfully completed the intensive 8-week certification programme. In the April 2026 batch, 45 students enrolled, 35% secured 100% in assignments and 80% qualified for the final examination. Special congratulations to the students who achieved 100% in the final examination:

- Anshika – Economics, Finance, and Money Matters
- Laasya K. Raju – Game Tech Explorers: Understanding Humans, Machines, and Play
- Hifza Fathima – Introduction to Ecology
- We also extend our sincere appreciation to Ms. Sharadha, the Single Point of Contact (SPOC) for the IIT Madras School Connect Program, whose dedicated guidance, coordination, and continuous support played a vital role in the successful implementation of this initiative.

We are proud of all the participants for their dedication and commitment. We wish them continued success and many more achievements in the future.
